Pass It On...

*Do you have a mentor in your life? Let them know how much they mean to you on January 17, 2013:
Thank Your Mentor Day.*

As part of the annual Michigan Mentoring Month, Thank Your Mentor Day provides you with the chance to show your mentor how much they have impacted your life in a positive way.

Ways to Thank Your Mentor:

- **Contact Them:** Get in touch via phone, email, card, or letter.
- **Pass It On:** Honor the person who mentored you by becoming a mentor yourself.
- **Write a Tribute:** Document the importance of your mentor and submit it to the newspaper, radio or TV station, or post it online at www.whomentoredyou.org.
